PATHS TO PERFORMANCE

NEW COURSE

Make Complex Project Management Simple - Online Training

 New courseDURATION
10 HOURSREGULAR FEE
219 \$

Objectives

This practical course gives you all the essential tools you need, and explains how to deal with the human factor in project management. We're going to show you the keys to successful project management. You'll be able to launch, manage and complete a complex, ambitious project that involves a lot of people. Internationally respected project management experts will guide you, showing you all the relevant techniques and approaches.

Targeted audience

Anyone; project managers.

Prerequisite

None.
