

**CM170**

COMMUNICATION AND WRITING SKILLS

# Tips and Tricks for Improving Your English Vocabulary

## Objectives

To provide the knowledge and skills required to understand the most important vocabulary categories in English, better understand how the brain and memory function when learning new vocabulary, and acquire the techniques necessary to be as effective as possible.

## Targeted audience

Any French-speaking audience.

## Prerequisite

None.

## Content

- The most important categories to master: verbs, phrasal verbs, idiomatic expressions, etc.
- Idioms, transitional expressions and other more complex vocabulary
- The brain and memory: their impact on learning vocabulary
- The most effective methods
- Methods tailored to your learning style
- References and training tools (online, applications, software, reference books and others)

## General Note

In order to ensure a good understanding of the material discussed, many of the theoretical concepts are explained in French.
