PATHS TO PERFORMANCE

NEW COURSE

Build a Learning Team - Online training

 New courseDURATION
8 HOURSREGULAR FEE
209 \$

Objectives

In response to an increasingly complex and ever-changing environment, companies and their staff have to be able to reinvent themselves constantly. To be innovative and adaptable at the same time, the ability to learn has become a key factor for the success of organizations, teams and individuals alike. At the end of this course, you'll be able to position yourself as a "learning leader", build a work environment that stimulates long-term learning and target the skills to be developed as a priority using digital technology.

Targeted audience

Anyone.

Prerequisite

None.
