Objectives

This program will help you unlock your creative potential at work. It is designed to help you lose your inhibitions and overcome obstacles to creativity, including habits and limiting beliefs. Perhaps you are overly rational in your approach? Or you have a tendency to favor reliable outcomes and proven methods? Do you find it hard to spark creativity in a group? If any of this sounds familiar, this is the training course for you! We have selected various practices from outside of the working world that will help you unlock your creative potential.

Targeted audience

Any Audience.
